

HIGHLIGHTS OF THE NEW COLE BROS. CIRCUS

CHERYL HADDAD AND THE MARCAN TIGERS: Witness the awe-inspiring sight of this most spectacular of species, the Royal Bengal Tiger. Cheryl Haddad presents the entire spectrum of color variations within the breed, including the standard striped, rare white, and the seldom-seen golden tabby.

RODRIGO FERNANDEZ AND THE GIANT GYRO WHEEL: A dizzying and dangerous one-man challenge against the relentlessly revolving cylinder of slippery polished steel. Defying gravity and throwing caution to the wind, Rodrigo challenges two tons of spinning steel as he races the rigging to execute both forward and backward somersaults, hoping to land safely atop its slick surface before the perfidious pendulum plummets to the ground.

THE KIM FAMILY HORSEBACK JUGGLING: With teenagers Vladimir and Viktor Kim perched atop, “Gypsy” horses of the Urals gallop around center ring. Directed by Luba Kim, horses and riders combine to display coordinated juggling genius and skillful equestrian expertise.

THE BERMUDEZ TRIANGLE-TRIO OF CLOWNS: Kellan, Robby and Pirolito, our South American masters of disaster will leave your comedy compass wildly out-of-whack as they navigate through waves of laughter into uncharted chuckles and mirth.

THE FLYING NEVES: Having walked away with the top honors, The prestigious Golden Clown award at this year's Circus Festival in Monte Carlo, these fearless flying trapeze artists fill the lofty Big Top with an astounding series of sensational aerial accomplishments capped by his and hers, twin triple somersaults.

VALERIY TSORAEV'S ACROBATIC HOUSECATS: Felonious felines steal the show in this rare example of animal handling mastery. Valeriy Tsoraev presents his cast of accumulated alley cats in a delightful and astonishing parade of purrrfectly performed cat acrobatics.

"THRILLS FROM BRAZIL" FEATURING THE ROMEIRO FAMILY: South American springboard sensations take the spotlight in a rhythmic and sizzling-hot action-packed carnival of acrobatics. A spicy, Latin-flavored spectacle resounds throughout the entire Big Top, with beautiful aerial ladder ballerinas surrounding Senorita Monica on Cascading silks in Center Ring and Misses Dani and Steffi suspended by their hair over Rings One and Three.

SILVANIA & CO.: For those with a passion for fashion, we offer-up this kennel full of custom-costumed canines in a fanciful high-fashion festival of pampered pets who really know how to "put on the dog".

GULYVERD AND GARCIA: TITANS OF THE TIGHTROPE: In an amazing team effort by wire-walking wizards Gulyverd Agaverdiev and Jimmy Garcia these two undisputed masters of their craft engage in a tension-filled challenge of high-wire heroics.

EL PENDULO LOCO--THE SWINGING CATAPULT: A topsy-turvy tangle upon the tumultuous towering swing results in a high-flown hilarity and hijinx as a world-class team of Latino athletes are launched headlong into a series of catapults from the "crazy pendulum" swing.

RUSSIAN CLOUD SWING: Amazing strength and style are combined in a sensational two-man show of Olympian stature, as muscular Sasha and Roma swing high above rings one and three, twisting, turning, spinning and diving—without the aid of a net.

DUSTY THE CLOWN & BAILEY T: The consummate Circus Clown, Dusty Sadler, and his forever-clever canine sidekick Bailey T., delight children of all ages with this entertaining “pet project” that the two have cooked up.

ZARINA-THE HUMAN CANNONBALL: In a startling split-second shot, this most diminutive of daredevils goes ballistic across the vast span of the Big Top arena. Tetyana Synovat, known as “Zarina” in her homeland in the former U.S.S.R., now takes aim at stardom in the U.S. with her sensational performance in the traditional role of the Human Cannonball.
