

HIGHLIGHTS OF THE ALL NEW 2005 EDITION OF COLE BROS. CIRCUS

THE HUMAN SLINKY: Our Slinky bends over backwards to please you! The creative genius of Romania's Veniamin recreates and animates a favorite childhood toy in huge and multihued fashion. The Slinky curves and stretches, expands and retracts, enchanting and puzzling you equally. Who or what moves the Slinky? See it to discover for yourself.

THE YAN DONG MONKEY MEN: Using the trampoline as a launch pad, these agile young men simulate simian behavior as they zip through the air, missing each other by millimeters, to safely grasp or securely latch their legs onto slender pole perches.

ASTROCYCLE: Piloting the Astrocycle that traverses a wire stretched high across the Big Top, Andrey Medeiros takes his new bride Viktoria on the ride of her life.

MOSCOW'S MAGICAL MANNEQUIN: Maiya Panfilova turns Center Ring into a garden of flowers, and never worries about what to wear as she has an apparently endless wardrobe. Faster than you can say Abracadabra, Maiya has a new dress!

ANGELS OF FLIGHT: Without the aid of wings, our aerial angels leave the safety of terra firma to take flight across the Big Top. Super talented fliers, The Neves execute double twisting and triple somersaults in their journeys to secure the strong hands of the catcher and return to safety.

THE LIVING CANDELABRA: Yu Ximmeng and Tong Jai contort their torsos in tortuous postures all the while balancing a brilliant array of articles.

ROMAN RINGS: At the Olympics, only men compete on the Roman Rings. Here at Cole Bros. Circus you'll see real circus champions, two of the loveliest ladies on earth, perform on the arduous Rings.

CHINESE LIONS: Cole Bros. Circus replicates the classic story of the Chinese Lion battling the Nien in a pageant of color and action. In traditional Chinese fashion, our Lions defeat the bad spirit of the Nien, and bring harmony and happiness to the Big Top!

CLOWNS: Kellan, the Clown Prince of Peru, and his humble Ecuadorian sidekick, Perolito, lead the Cole Bros. comedy brigade on their quest to light up your life with laughter.

THE OCTOPUS: Under the deep blue Big Top sea, the Octopus comes to life. Even with lengthy tentacles, the Octopus dances, entrancing audiences with his smooth and clever moves.

THE MAGIC BULLET: Ukraine's tiny, talented Tetyana turns into Zarina, the Magic Bullet shot from the barrel of the World's Largest Cannon, in an explosive quest to thrill the audience.
