

THE NEW COLE BROS. CIRCUS PRESENTS “THRILLS FROM BRAZIL”

Featuring the incredible catapult acrobatics of Brazil’s renowned Romeiro Family, The New Cole Bros. Circus production, “Thrills From Brazil” turns the traditional three -ring circus into a high energy, Latin-flavored spectacle of light, action, and sound. The Romeiros fearlessly launch each other like human rockets from spring-loaded levers and pendulous platforms to the very top of the tent as percussionists pound the rhythms of Rio. While The Romeiros execute heart-stopping aerobic twists and revolutions, landing on twin and even single stilts, the graceful ladies of Cole’s Corps de Ballet dance high above the hippodrome track on revolving ladders.

Cole Bros. Circus electrifying performance includes Marcan’s White, Golden Tabby and Royal Bengal Tigers, Rodrigo’s Giant Gyro Wheel, High Wire Walkers Gulyverd and Garcia, Tsoraev & Co.’s Costumed Canines, Monica, the only woman in America who now completes the treacherous triple somersault from the Flying Trapeze, The Kims, extraordinary Jugglers on Horseback, The Bermudez Triangle Clowns, Zarina, The Human Cannonball, and Special guest Star, Supercat, the high diving feline seen in the hit movie Big Fish.

With its exhilarating approach to family entertainment, The New Cole Bros. Circus “Thrills From Brazil” administers a welcome antidote for the ordinary, and gives families the happiest of reasons to leave their TVs and head out for an evening of “G” Rated--genuine and great-- fun.
