The New Cole Bros. Circus will soon appear at \_\_\_\_\_ sponsored by \_\_\_\_\_. Tent Raising will place between 7:00 a.m. and 11:00 a.m. on the morning of \_\_\_\_\_ with shows taking place daily on \_\_\_\_\_ and/through \_\_\_\_\_. The World's Largest Circus Under the Big Top fills three rings with circus artists and animals from four continents.

The circus slogan "See Amazing Feats from Ringside Seats" means that audiences get an up close and personal view of the performance from seats only a few feet away from the action. Close enough to see his whiskers, audiences can watch "Supercat," the high diving feline sensation seen in the movie "Big Fish." Demonstrating agility, balance and impeccable timing, The Kim Brothers juggle while standing atop horses that gallop around center ring. The Human Cannonball, Rodrigo and his Giant Gyro Wheel and The Bermudez Triangle Clowns thrill, excite, amuse and amaze audiences with their performing prowess. The Neves, award winning flying trapeze artists, Cloud Swingers Sasha and Roman, and The Romeiros, who execute amazing catapult aerobatics join the host of incredible circus stars to present the highest energy Cole Bros. show ever.

With a host of never before seen under the Big Top acts performing in close proximity to the audience, The New Cole Bros. Circus promises a performance that every member of the family will enjoy.
